ANNEXURE-I

STATEMENT OF ARTICLE OF CHARGE FRAMED AGAINSTSRI C.HARI PRASAD, RDO, MADANAPALLI (NOW UNDER SUSPENSION), ANNAMAYYA DISTRICT.

Article of Charge-1:- Sri C.Hari Prasad while working as Revenue Divisional Officer, Madanapalli, though the CC cameras are not working since 10.07.2024, despite the very valuable records in Madanapalle RDO office, he failed to identify and rectify the malfunctioning CC cameras and failed to ensure proper supervision of his subordinates and allowed the presence of inflammable materials in the office, allowed mosquito repellent incense burning near records, neglecting essential office infrastructure, which demonstrates gross negligence in performing his official duties. This reflects a lack of supervision over subordinates, and insufficient protection of valuable records. This negligence led to significant damage during the fire accident that occurred on 21.07.2024 at about 11.30 PM

Thus, Sri C.Hari Prasad, RDO (U/s), Madanapalle violated rules 3(1), 3(2) & 3(5) of A.P.C.S.Conduct Rules, 1964.

Hence, the charge.

Article of Charge-2:- Sri C.Hari Prasad while working as Revenue Divisional Officer, Madanapalli, though he knew the irregularities in the land related files i.e., de-notifying lands under Section 22A(1) and converting D-Patta lands to freehold status, he willfully encouraged his subordinates to circulate said files and approved said files irregularly by accepting bribe, and diverted his higher officials willfully and being a responsible government revenue officer he failed to prevent the irregularities in land related matters and not accountable in his duty and caused much inconvenience to the District Administration.

Thus, Sri C.Hari Prasad, RDO (U/s), Madanapalle violated rules 3(1), 3(2) & 6 of A.P.C.S.Conduct Rules, 1964.

Hence, the charge.

ANNEXURE – II

STATEMENT OF IMPUTATIONS OF MISCONDUCT OR MISBEHAVIOUR IN SUPPORT OF THE ARTICLES OF CHARGE FRAMED AGAINST SRI C.HARI PRASAD, RDO, MADANAPALLI (NOW UNDER SUSPENSION), ANNAMAYYA DISTRICT.

==========

Basis of the articles of charges is preliminary enquiry report of the Special Chief Secretary to Government (Lands) Dt.25.07.2024.

In the O/o Sub-Collector, Madanapalli the incident of fire Accident occurred on 21.07.2024 at about 11.30 PM which lead to burning of crucial records/files pertaining to dotted lands, D patta lands and 22A(i) de-notification has taken place.The furniture, the computer systems and about 2440 files were gutted. Since the fire tenders reached within 17 minutes, about 700 files were retrieved immediately and saved from turning to ashes. Rest of the files have to be recreated. That would not be very difficult since these were all current files pertaining to cases related to 22A, assignments made freehold, dotted lands etc.CC cameras were not working since 10thJuly. There are 7 CC cameras inside and 3 outside the office. RDO or the A.O. did not bother to get them rectified. This was a major lacuna leading everyone to speculate about the cause of the incident.The fire accident occurred somewhere between 11.00 PM 11.30 PM. Police collected forensic evidence from the spot. Dog squads were deployed but no conclusion could be reached. FSL reports are pending.

Sri Gautam Tej Naidu Gorantla is working as Sr. Asst and came to office at 12.30 on 21-7-24 Sunday. Saturday at 11.30 am the RDO, Sri Hari Prasad asked to him do some files since he was about to get transferred. He looks after files pertaining to sec. 22A(i), alienation, making D patta lands freehold, dotted lands, land ceiling and wakf. He has 5 almirahs in the office. 1.5 lakh cash was there in a wooden almirah. One Sri TKN (T Krishmanaidu) gave him this cash for processing some files irregularly. He stated that he had to give this money to RDO. He had seven 22A files under process. These were Nimmanapalli mandal (1 village), Madanpalli (6 villages). All put together 15 acres. These are assigned lands. He dealt with Mr. Madhav Reddy (close follower of Mr Peddireddy Ramchandra Reddy) for one deal for one lakh. One MrTukaram, PA of Mr. P Ramchandra Reddy introduced him to Sri Madhav Reddy. He had bought7 litres of shell engine oil online and kept the cane in office almirah. He stated that he had processed nearly 500 acres of 22A and 13000 acres of D patta free hold files. Murali, ex RDO used to meet Tukaram and Madhav Reddy every week. Mr. Madhav Reddy also gave him one lakh on Saturday. Irregular processing of land files was the norm in the office. For controlling mosquito menace in office, it was a habit of Mr. Gautam to use Mosquito repellent incense Neem sticks to control mosquitos. On Sunday also he has lighted one near his desk.

Several irregularities have been noticed in the processing of files relating to de-notifying lands u/s 22A(1) of the Registration Act.

In Madanpallisub division, total lands proposed for making freehold was Ac. 79107 By MROs. Collector issued proceeding for Ac.74374. Rejected by Collector is Ac.4732. It appears that MROs have proposed huge extents of lands irregularly for making freehold. These include lands assigned after 2003, lands under dispute, court cases, lands which were alienated by the assignees before POT Act amendment, govt lands etc. hence a

thorough reverification is required for all lands made freehold. The RDOs of Madanapalli have forwarded lots of irregular proposals to the Collector, the extent and magnitude of which has yet to be ascertained.

PRELIMINARY CONCLUSIONS:

The following conclusions can be drawn in this preliminary report:

- The electric short circuit is conclusively ruled out as a cause of the incident.
- Prima facie this does not appear to be a handiwork of outsiders.
- Complete dereliction of duty and negligence by all involved is proved from the facts of non-repair of CC cameras, permitting mosquito repellent burn sticks in the office where valuable records are kept, permitting a Sr Asst to keep motor oil in the office etc.
- The combustion intensity of the fire suggests that some chemical agents were used for quick spread of fire.
- Lot of irregularities in processing of land related files in the office. It is very likely that many proposals were irregularly processed pertaining to dotted lands, D patta lands and 22A(i) de-notification.
- Preponderance of probability indicates a deliberate design to burn land related records in order to destroy evidence which can be proved after all the facets of investigation are completed.
- Prima facie this seems to be done by Sri Gautam at the behest of the ex-RDO Murali, Tukaram (PA to Sri P. Ramchandra Reddy and Madhav Reddy (close follower and henchman of Sri P. Ramchandra Reddy.However, this fact needs to be established fully with concrete evidence by the CID.
- The Ex-RDO Sri Murali is guilty of criminal conspiracy, creating false reports and forged signatures, diverting huge amounts of lands under 22A, making D-Patta lands freehold and regularising dotted lands in favour of private persons.
- The present RDO Sri Hari Prasad is guilty of criminal negligence, corruption in land matters and lack of integrity, complete lack of supervision on the subordinates.
- Sri Gautam is guilty of criminal conspiracy and forging and fabricating records.

For the above said reasons, disciplinary proceedings have been initiated against Sri Hari Prasad, RDO, Madanapalli for his guilt of criminal negligence, corruption in land matters and lack of integrity, complete lack of supervision on the on the subordinates

Hence, the Articles of charge.
